

K-LOVE is a wonderful radio station that provides me encouraging positive message.

AS I drive in the Phoenix, Arizona metro area I see many KLOVE bumper stickers. I feel many residents would not be able to hear a message that gives hope and meaning to our lives. Everyone lives are different and stressful at different times, and a uplifting song or verse might be just what that individual needs to get them through.

I personally have experienced that time of need and KLOVE was there for me. It also gives the children and example of good virtues to listen to.

Again, the service KLOVE provides to the public is a message of hope, encouragement, peace and love (KLOVE). I just wish more stations would send this clean message, maybe the world would be a little nicer place.
